Issue 1 February 2019

## Principal's Report . . .

Welcome to new and past families, I would like to congratulate students and thank families for such a smooth start to 2019.

We have hit the ground running and are happy that our students have returned with a big smile on their faces.

### New Students

Firstly, let me take this opportunity to extend a big welcome to our new families and new students - Sajjad, Chebar, Justin, Leah, Joshua, Dylan, Cristian, Kyle, Matthew and Angela who have joined us this year.

### Student contact details

It is important to keep your child's details up to date. Please contact the school to advise of any update to your child's medical details, contact details and emergency contact details.

### Student Diary

Students have now been given a 2019 diary, this is a great way for teachers and parents/carers to communicate back and forth to each other with important information.

### Public School Review

All WA public schools are reviewed every three years by the Department of Education's Public School Accountability directorate. A review gives assurances to the local community The Minister for Education and Training that a school is operating effectively and delivering high quality education to its students. Please read our glowing report on our website.

### School Calendar

Term 1 calendar has been sent out to parents/carers via email and is also available on our school website - [www.cyriljacksonesc.wa.edu.au](http://www.cyriljacksonesc.wa.edu.au)

### Student dress Standard

Students are required to dress in clean, sensible and appropriate clothing suited to the weather conditions and planned activities (including enclosed shoes) . Inappropriate logos, slogans or wording on clothing is not acceptable. Ripped jeans and midriff/low-cut tops are not considered suitable.

### News Review

The centre produces one to two newsletters per term. These are emailed to families and are available on our website. We encourage you to read these regularly to keep connected to our school community and hear of the wonderful activities being undertaken at the school.

### School Fees

Thank you to parents/carers who have already paid their child's school charges. If you haven't already paid as yet, please pay as soon as possible. We use your fees to support individual educational programs offered at the centre and budget for full payment of subjects and other specific activities the student's undertake. If you are having trouble paying, please contact the centre on 9413 4850 to make payment arrangements. If eligible, Secondary Assistant Scheme forms are available at the centre, applications close 12 April 2019.

Once again thank you for your support with such a smooth start to the year. We really value working together with our families and are always keen to hear from you on any matter concerning your child's education and well-being.

Regards

Paul M Jones

Principal

## **Special Olympics: Sport for people with intellectual disability**

Special Olympics Australia transforms lives of people with intellectual disability through the joy of sport.

Special Olympics Australia is part of a global inclusion movement using sport, health, education and leadership programs every day to end discrimination against and empower

people with intellectual disabilities. Our volunteers create accessible sports training, coaching and competition opportunities which are offered week-in and week-out in local communities throughout Australia.

## **A Key Difference**

The fundamental difference that sets Special Olympics apart from other sports organisations is that athletes of all ability levels are encouraged to participate, and every athlete is recognised for his or her performance. Competitions are structured so athletes compete with other athletes of similar ability in equitable divisions.

## **Our Sports**

Special Olympics Western Australia currently offers 6 sports including athletics, basketball, bocce, dance, equestrian, football, swimming and tennis. The sports that are offered vary in each region depending on the coaching and volunteer resources available.

## **Get Involved**

Join Special Olympics Western Australia today and experience the joy that sport brings! Participate as an athlete, register as a coach or volunteer and become a part of the movement that is Special Olympics.

Annual membership for athletes is \$75, and all volunteers will need a current blue card or can apply for one through our organisation.
